

Notice Regarding New Stormwater Fee from Berkheimer

Contact:

Southwest Butler Stormwater Authority

Phone: (724) 240-3400

Website: SWBSWA.org

Property owners within the area of the Southwest Butler Stormwater Authority, including those in the Borough of Zelienople, will notice a new \$72.00 annual stormwater fee, which is being issued and administered by Berkheimer. This fee reflects a \$6.00 per month charge, billed annually, and supports a regional initiative to improve and maintain stormwater infrastructure in compliance with state and federal environmental regulations.

Southwest Butler Stormwater Authority

The Southwest Butler Stormwater Authority allows member municipalities to proactively manage stormwater issues with focus, expertise, and accountability. The Authority will assist in planning, funding, and maintaining stormwater systems to provide consistent, professional, and long-term solutions by introducing a stable, fair funding source to fund these important projects for the good of all residents. The Southwest Butler Stormwater Authority is committed to being responsive to the community's need for improved stormwater management and will provide a directed and responsive focus on residents' concerns about drainage, flooding, and water quality.

For more information about the Stormwater Authority or this fee, contact the Southwest Butler Stormwater Authority directly at (724) 240-3400 or visit their website at www.swbswa.org.
