

Zelienople Revitalization Committee, PO Box 563, Zelienople, PA 16063

Warm Greetings from The Zelienople Revitalization Committee:

If you're unfamiliar with us, the Zelienople Revitalization Committee is a 501(c)(3) non-profit that's been a key part of our historic borough's revival for nearly 15 years. We've been working directly with borough council on Main Street improvements from large capital projects like burying utility lines and removing telephone poles, to creating a grant program that helps businesses improve and beautify their facades. Because of our efforts and partnerships, Zelienople has enjoyed a resurgence of new business, streetscape beautification, and substantial investments.

Currently, the committee's focus is on Veteran's Memorial Park, a hallowed part of Zelig's Four Corners Park. For generations, this corner of the park has been dedicated to honor the fallen heroes who gave their lives in the defense of this great nation. Each year, numerous events and programs take place that recognize and memorialize those that made the greatest sacrifice to keep our country free.

In recent weeks, you may have noticed that all of the memorials have been removed, and some of the trees taken down. This is because the Zelienople Revitalization Committee, in partnership with Zelienople Borough Council and American Legion Post 474, are in the process of restoring and revitalizing Memorial Park. As staunch supporters of our Armed Forces, it is a privilege to embrace this solemn mission, and to support this extensive project.

To fully complete this mission, we are asking for your help!

The full cost of this endeavor is extensive, estimated to exceed \$200,000! It includes refurbishing existing memorials, adding new memorials of more recent wars and conflicts, relocating the site of the memorials, providing new landscaping and making other cosmetic improvements. All of this work is designed to make Veteran's Memorial Park an even more sacred space, and reestablishing its importance in the borough, its local veterans and the community at large.

With this letter, we are appealing directly to you, Zelienople's residents, to aid the Revitalization Committee in raising \$20,000 toward Veteran's Memorial Park's restoration. We've already earmarked \$50,000 to this worthwhile endeavor, but hope to raise \$20,000 through this letter and social media campaign to address any shortfalls, and to assure that the project can be completed at the earliest possible time.

Zelienople Borough Council, American Legion Post 474 and The Zelienople Revitalization Committee are fully committed to raise the funds needed. Please be a part of that commitment by making a donation. No amount is too small to get us to our \$20,000 goal!

We sincerely hope that you'll join the campaign to fully fund and complete the restoration and beautification of Veteran's Memorial Park. All donations are 100% tax deductible.

With Heartfelt Thanks for Your Consideration,

Eric Rice, President  
Zelienople Revitalization Committee Board of Directors
