In addition, CEA Code Enforcement Agency will require a certificate or proof of Workman's Compensation for all workers outside sole proprietors, general liability certificate and certificate or proof of State of Pennsylvania Home Improvement Contractor registration prior to issuing any Building Permit.

## Applicant's Certification

As the owner or the authorized agent for the project which this application is filed, I certify that:

1. The description of use, estimated construction coast and all others information provided as part of this application for a building permit is correct.
2. The building or structure described in this application will not be occupied until all known code violations are corrected and a Certificate of Occupancy has been received from the municipality.
3. This project will be constructed in accordance with the approved drawings and specifications (including any required non-design changes) and the Uniform Construction Code standards as specified in 34 PA Code Chapters 401-405.
4. Any changes to the approved documents will be filed with CEA Code Enforcement Agency.
5. If the licensed architect or engineer in responsible charge of this construction should change, written notice of the change will be provided to CEA Code Enforcement Agency.
6. No error or omission in either the drawings and specifications or application, whether approved or not, shall permit or relieve me from constructing the work in any manner other than provided for in 34 PA Code Chapters 401-405.
7. If signed by someone other than the construction owner, this work has been authorized by the owner of record and I have been authorized by the owner to complete this application on his behalf.

**(IF Applicable)**

Construction documents shall contain a site plan that is drawn to scale. The building code official may waive or modify the following site plan requirements if the permit application is for an alteration or repair or if waiver or modification is warranted. Site plan requirements include all of the following:

- (1) The size and location of new construction and existing structures on the site.
- (2) Accurate boundary lines.
- (3) Distances from lot lines.
- (4) The established street grades and the proposed finished grades.

A permit applicant shall submit an application to the building code official and attach construction documents, including plans and specifications, and information concerning special inspection and structural observation programs, Department of Transportation highway access permits, all other permits or approvals related to the construction required under § 403.102(n) (relating to municipalities electing to enforce the Uniform Construction Code) and other data required by the building code official with the permit application. The applicant shall submit three sets of documents when the Department conducts the review.

The Commonwealth of Pennsylvania established the Uniform Construction Codes (UCC) under Act 45 of 2004, a copy of ALL applicable codes and UCC standards are available online at: **www.pa code.com**. I certify by the signature below, the information presented here is accurate and lawful under 34. PA Code § 403.42 (a) Permit Application.

**RESIDENTIAL APPLICATIONS** require a review with **(15)** thirty business days of the accepted application. (Excluding any local Zoning Approval)

**ALL plan review information of this application shall be in writing for CEA Code Enforcement Agency to properly review. Failure to provide all information required by the PA UCC shall delay the process in receiving a UCC Permit.**

## Policy E20-003-CEA

Effective September 1, 2014, all Commercial Electric permits issued by CEA will need to begin with an Application submitted by an Architect, Engineer, Licensed Electrical Contractor, General Contractor or Electrician to the main offices of CEA located at 1633 Route 51, Jefferson Hills, PA 15025. Application for Commercial Electrical Permit may also be faxed into CEA offices at (412) 405-9756 or emailed to CEA offices at: [electrical@cea-code.com](mailto:electrical@cea-code.com).

Applications are available by fax, mail or online at: [www.cea-code.com](http://www.cea-code.com)

The Commercial Application will be reviewed by CEA Electrical Department and upon approval and payment an ELECTRICAL PLACARD will be issued by the Chief Electrical Inspector. This placard must be remain in a visible area during all phases of electrical work or until “Final Inspection” is approved. Pennsylvania Uniform Construction Code (UCC) under Act 45 of 2004 permits up to 30 days for review and approval.

Any additional information requested by the Chief Electrical Inspector or Electrical Plans Examiner is the sole responsibility of the APPLICANT.

Any changes or change orders approved by the Architect or Engineer after a placard has been issued must be approved by the Chief Electrical Inspector or by the Electrical Plans Examiner prior to proceeding forward.

Payments due to CEA for Electrical Permit or Plans Examination are due PRIOR to the issuance of the placard. No inspections or final inspection shall be made until permit fees are paid in full. All additional payments for change orders or additions to original application must also be paid in full prior to any request for “final inspection”.

All inspections requested of the Electrical Inspector must be submitted a minimum of 24-hours in advance of the request.

All cut card requests for power companies or certificate of electrical compliance requests must be submitted to CEA at least 5 days prior to any final inspection request.

Failure to comply with any portion of the Uniform Construction Code (UCC) or the current version of the NEC National Electrical Code may result in permit being suspended or withdrawn and the Building Code Official being notified for a “Stop Work Order” or Citation.
